

## Cherubim

I, (xxxxxxxxxxxx), am privileged to nominate Sergeant (SGT) Airborne for the Cherubim Award. SGT Airborne's exemplary service and extensive experience meet the criteria for this distinguished recognition.

SGT Airborne has demonstrated outstanding commitment to Airborne and Air Assault operations throughout his career. He was assigned to the 75th Ranger Regiment from January 2017 to January 2019. During this period, he fulfilled his duties in an Airborne unit, accumulating 2 years of service in this specialized role.

He graduated from the Basic Airborne Course at Fort Benning, Georgia, in June 2016. This Infantry School-proponent approved course is essential for his qualification in airborne operations. On September 10, 2018, while participating in an intensive airborne training exercise with the 75th Ranger Regiment, SGT Airborne sustained a minor shoulder injury. Despite this setback, he continued to serve with distinction, demonstrating remarkable resilience and dedication.

SGT Airborne has held leadership positions at both the Squad and Platoon levels. From February 2018 to January 2019, he served as a Squad Leader in the 75th Ranger Regiment, where he was responsible for the tactical direction and leadership of his squad during various high-stakes missions and leading his platoon through complex airborne and air assault operations, ensuring mission success and operational effectiveness.

In total, SGT Airborne has dedicated 2 years to Airborne or Air Assault status across all assignments. His career is marked by significant contributions to both airborne and air assault operations, underpinned by his leadership roles and commitment to excellence.

SGT Airborne's distinguished service, including his leadership positions, successful completion of approved airborne training, and his extensive experience in Airborne and Air Assault units, clearly qualifies him for the Cherubim Award.
